

MONTHLY DATA OVERVIEW

June 2026

1.703.799 REGISTERED ENTITIES

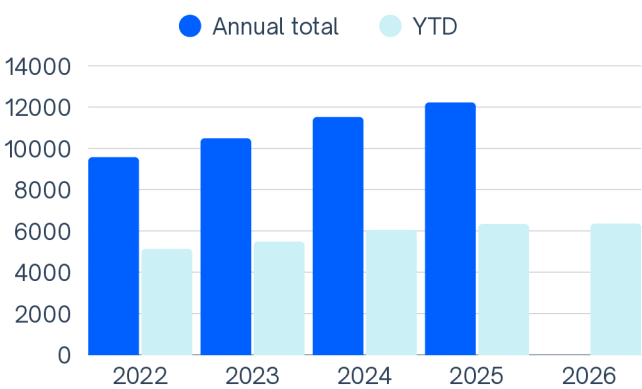

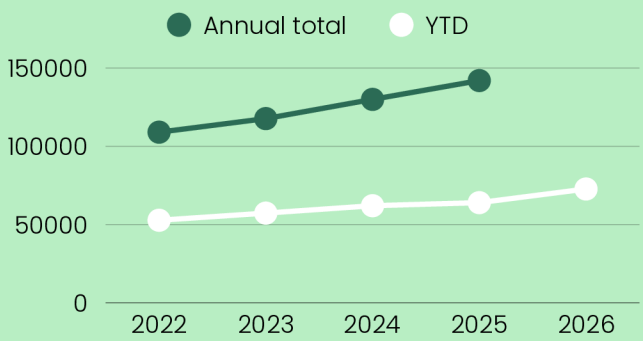

NEW BUSINESSES

By the end of June 2026, **70.463 new businesses** were registered. This is in line with the level seen in recent years and, for the first time this year, slightly exceeds the 2024 peak.

CESSATIONS

By the end of June, **72.664 cessations** were registered. This number is **13.5%** higher than the number of cessations in 2025.

BANKRUPTCIES

By the end of June 2026, we recorded **6.352 bankruptcies**. This is in line with the number of bankruptcies YTD 2025. This represents an increase of 0,4%.

Note:

As was the case last month, we are seeing **a negative net evolution**, pointing to growing pressure on the Belgian business landscape.
